

PASTOR'S PONDERINGS

*"The Light shines in the darkness, and the darkness did not overcome it."
(John 1:5)*

The season of Epiphany is quickly coming to a close ending on Transfiguration Sunday on February 15th. The first great epiphany (revealing of Christ) began when the magi were led by a star to the infant Jesus. The Baptism of Jesus, the Miracle at the Wedding at Cana, healings, teachings, and eventually the Transfiguration all revealed who Jesus truly is – the Son of God, the Word made Flesh, the Light of the World. As Jesus' followers we carry this divine Light in us and with us. It is what makes our congregation shine and that is our purpose: to shine God's Light for all to see.

As the days slowly become longer, we simultaneously enter a period in the Church year of shadows, the increasing darkness of Holy Week, and the crucifixion before the Light again returns at Easter. It may seem strange to move from a season of light into a season of increasing darkness, yet we need this often underexamined season of Epiphany to lead us into the Light. We need the Light of Christ to guide us into a closer walk with him. We need the illumination of the Light to shine into and through the darkness so we don't enter the darkness alone. Christ is with us as we experience the darkness, pain, and suffering he felt in order for each and every one of us - and for each and every person in the world - to be saved. God loves the world that much!

We are all experiencing a darkness in our lives right now due to the spreading darkness of evil, suffering, violence and death in our world due from a love of power instead of the power of love. At times, it may be hard to see how we can move forward. However, we are not lost in the darkness; we have the Light of Christ with us to guide us from the darkness into the light. Lent is a time to draw close to Christ. Listening to Him means being present to those who need love in the midst of this hurting world.

The Light of Christ continues to be revealed in the kindness of strangers, the courage to stand up for those who are oppressed, and the unconditional love we live out in Christ's name. Epiphanies still abound. As Mr. Rogers said, "look for the helpers." We need to be those helpers too.

Let us continue to be on the lookout for these ongoing epiphanies. We are called to be the Church that spreads the Light of Christ even in the darkest of places. We journey from the Season of Epiphany to the Season of Lent with a hope and confidence that the Season of Resurrection is lovingly woven through it all.

Blessings and Peace,

Pastor Edwina

GET READY FOR THE SOUPER BOWL!

That's right; you read this correctly. FPC is having a Souper Bowl. On Sunday, Feb. 8th – the same day as the Super Bowl - **we are collecting cans of soup** for the Blessing of the Backpacks program.

How will this work? There will be a table with the name of each team that will be in the Super Bowl. **Bring your cans of soup and place them on the side with the team you are supporting.** Let's see what team collects the most soup. No matter what team wins, everyone will be a winner with this outreach event. So bring your cans of soup and let's make this a great Souper Bowl of Caring!

Suggested Soups: Chicken Noodle, Chicken and Stars, Vegetable, Vegetable Beef...anything but creamed soups - children don't like them.

**THIS MONTH'S PCUSA SPECIAL OFFERING –
ONE GREAT HOUR OF SHARING**
February 18 – April 5, 2026

Around the world, millions of people lack access to sustainable food sources, clean water, sanitation, education, and opportunity. The work done in support of the causes supported by One Great Hour of Sharing (OGHS) — disaster, hunger, poverty, climate change, and immigration/migration and refugees — serves individuals and communities in need. This work provides people with safety, sustenance, and hope.

Typically received during the season of Lent, this Offering helps to improve the lives of people in these challenging situations. Please give as generously as possible to this PCUSA Mission Outreach.

STEWARDSHIP UPDATE**Pledges**

As of today, we have received a total of 62 pledges. If you have not pledged, please consider doing so today. Together, using all our resources, we can do the ministry that Christ has called this church to do.

Per Capita

In addition to pledging, please consider paying the per capita expense which is \$46.00 per member. If everyone gave this amount per year for the per capita it would save us over \$9000 in our budget! What is the per capita? Per capita connects Presbyterian Church (U.S.A.) congregations and mid councils with the work of the wider church. Per capita is how Presbyterians mutually and equitably share the costs of moving the church forward in the 21st century. General Assembly meetings, grant funding, and guidance for leaders and congregations are all supported from the per capita giving. The work of the PC(USA), and in particular the work of the General Assembly, is only possible because members of the church have said they are “all in” and committed to connection through per capita support. It is about joining together as a community and being one body, the body that is Christ’s church in the world.

Envelopes

We have envelopes for those who want to use them for regular giving and special occasions. For example, our Initial Offerings, Easter, Christmas, and other holiday givings are down due to people not being reminded to put these in a special envelope. Please pick up a bundle of envelopes today and be sure to give for these special offerings to help fund the ministry work of this church.

STEWARDSHIP UPDATE CONTINUED...

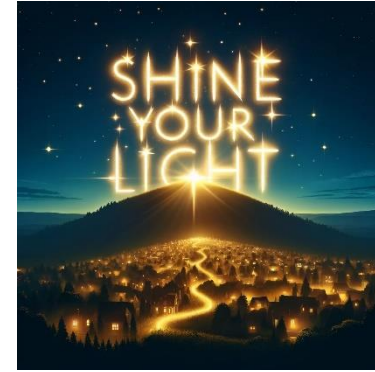

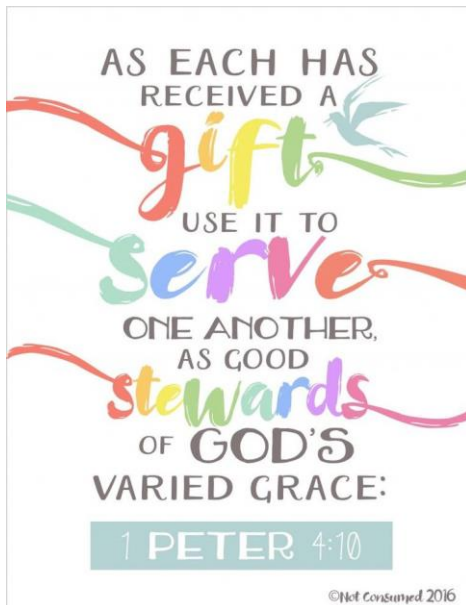

Time

Also, we have not heard back from everyone regarding your time commitments. There are many tasks that need to be done in the church. If joining a committee is too much time for you, please consider volunteering for a specific task. For example, we need help with Rescue Mission Cooking.

We also need a coordinator/chair for our Fellowship Committee. This person would help organize our other volunteers when we have potlucks, picnics, or other creative fellowship activities.

We really could use another person or two to help with fun activities with our Youth Group once a month.

Please prayerfully consider sharing whatever gifts you have to help rebuild our church by shining your light!

Our Christmas Pageant in December, “Shine Your Light” was created from this beautiful story about a church in Switzerland. We are posting it here again as a reminder of what we-the Church-are called to do-Shine Our Light, the Light of Christ. Let’s shine brightly!

This is a story of a church that was built way up in the highest mountains of Switzerland. It was a beautiful church that had been built with great care by the villagers that lived nearby....but there was one thing the church didn’t have. It didn’t have any lights. You couldn’t just go in and switch on the lights like we do here. Yet every Sunday evening the people who lived on the mountain-side opposite the tiny church saw something magical happen.

The church bell would ring and worshippers would wend their way up the mountainside towards the church. They would enter the church and then all of a sudden the church would light up brightly. The people had to bring light with them-so they brought lanterns. When they arrived at church, they would light their lanterns and hang them in pegs on the walls so the light would spread all around. If only a few people came to church, the light would be very dim because there would only be a few lanterns....But when lots of people came to church there would be plenty of light! After the service, the people would use their lanterns to light their way home. At this time, to those who watched from a distance, it was as if a stream of light poured over the mountain side. For many, it was a sign that all was well. God’s light was with them...and in them. The only time the little church was lit was when people were there.. That’s when it truly became a church. That’s when the light shone most brightly. The Bible tells us of that light in John 1 verse 5 “ And the light shines in the darkness, and the darkness has never put it out” The coming of Christ brought light to the world shining in the darkness.

KINGS CAKE

During the season of Epiphany, Kings Cake or Twelfth Night Cake is popular, and there are many different recipes. Some recipes include a bean or small Christ child, and the finder receives luck for the year. This version is delicious!

Gateau des Rois (Twelfth Night Cake-- France)

2 cups flour

½ cup soft butter

½ cup sugar

1 cake yeast or 1 package or 1 tablespoon dry yeast

4 large eggs

1 teaspoon salt

Grated rind of one lemon OR 1teaspoon vanilla extract

If yeast cake is used, cream it with 1 or 2 teaspoons of the sugar. If dry yeast is used, dissolve it in as little as possible, preferably no more than 1 tablespoon. Stir all ingredients together thoroughly, and then chill the dough in the refrigerator overnight. In the morning remove it from refrigerator and put it into a buttered 9-inch square pan. Cover and let rise until doubled, about 3 or 4 hours. Bake in a 350 degree oven for 30 to 35 minutes, or until browned and done. Cool the cake in the pan for about 10 minutes then remove from pan and cool on a rack. Frost with a light glaze and decorate with citron, candied cherries and almonds, if you wish.

Sweet Glaze

Blend thoroughly 1 cup powdered sugar, 1 tablespoon soft butter, 1 ½ tablespoons milk, and ½ teaspoon vanilla extract.
